F A M E

FAME (Fine Arts Mini Experience) is a volunteer driven program that brings Fine Arts and Music into the classroom. The program introduces students to influential artists and musical composers and teaches them basic concepts of art and music.

Parent docents teach six lessons a year in the classes of their children. The lessons are pre-scripted and all the materials are provided. Each lesson teaches about one artist and one composer, and also incorporates an art project. No prior knowledge of the arts or experience is required from parent volunteers, just a desire to enrich the classroom!

Become a friend of the arts and support Proctor's FAME Program for this school year by being a FAME volunteer or by supporting us with a small donation! Bring this form to the school office, or ask the school office for the email and phone of the FAME coordinator.
