

Proctor School PTA

_____ To ensure that all students at Proctor Elementary can participate in a wide variety of field trip experiences, the Proctor PTA is offering financial assistance to student families in need. The aid will be provided directly to the school for the amount requested by the student's teacher, not to exceed \$50 per student per school year.

_____ The Field Trip Financial Aid Request form can be completed by the student's family or a request by the student's family can be made to the teacher or principal, who can then prepare the request form.

Any questions regarding the policy or requests for assistance can also be made to the Proctor PTA President, Treasurer or Financial Secretary or the Proctor School Principal.
